FenceAI.app

NEW · AI VOICE AGENT
Now included on Crew · $149/mo

NEW · AI VOICE AGENT

Instant fence estimates on your website.

Your AI receptionist answers while you build.

When you miss a call out on a job, the AI voice agent answers, captures the lead, and emails you. Then your customer quotes from home.

HOW A CALL GOES

1 · CALL COMES IN
Homeowner calls
While you're out building a fence and can't pick up.

→

2 · AGENT ANSWERS
AI agent picks up
Answers basic questions. Captures the lead, even if the call drops.

→

3 · CAPTURES IT
Lead captured
Takes the caller's name, number and job details.

→

4 · EMAILS YOU
Lead in your inbox
Emails you the lead from each call.

THEN CLOSE THE JOB

Your brand on every quote. Deposits to your account.

CUSTOM BRANDING
Looks like your company
Your logo, colors, and shop details on quotes, the website embed, and the PDF.

PAYMENT CONNECTORS
Deposits on the same link
The homeowner pays you directly, once you connect your own Stripe, PayPal, or Square.

Satellite measuring · Pricebook + BOM · E-sign · Website embed · Branded quote page
